YOUR REGION. YOUR TEAM. YOUR EXPERIENCE.

COMING HOME IN 2026

A New Era for Capras & CQ

In 2026, your Capras are planning a long-awaited return to our spiritual home: Browne Park. While the timing depends on construction staying on schedule, we are confident and hopeful of being back within the first few weeks of the regular season.

More than just a stadium, this revitalised venue represents the next chapter in our journey – one built on loyalty, resilience, and the unwavering support of our region.

With a state-of-the-art grandstand, upgraded corporate facilities and a modern fan experience, Browne Park will once again become the heartbeat of Central Queensland rugby league.

For our partners, it offers unmatched opportunities for visibility, engagement, and brand alignment – right where the community comes together.
